About Greycaps

The TCS IT Wiz quiz book is researched by team Greycaps.

Greycaps India Private Limited is the largest on stage quizzing and knowledge services company with prominent presence across India, the Middle East, Singapore, United Kingdom, Sri Lanka, Japan and USA. Greycaps is known for creating knowledge solutions for corporate houses such as Tata Sons, Infosys, Aditya Birla Group, ITC, Economic Times, to name a few. From creating quiz based alternative tools for educational institutions to powerful and engaging awareness enhancement programs, Greycaps has always been in the forefront of innovation. Greycaps is headed by noted quizmaster Giri Pickbrain Balasubramaniam.

Greycaps is also known for creating the popular Global Awareness Program, also known as GAP, in schools across India. This is a unique GK program built into the school timetable.

Greycaps has been associated with Tata Consultancy Services since 1999 when the IT Quiz was launched.
“With so much information available through the internet, the real competitive dynamic is not about what you know but how fast you can learn. The TCS IT Wiz is one such platform which provides curated knowledge in a gamified environment and enhances your learning in an out-of-the-classroom environment.

It is all about your ability to understand and assimilate what you learn and immediately apply that to the problems at hand.”

Rajesh Gopinathan,
CEO and MD,
Tata Consultancy Services
