Set up in the Siruseri Special Economic Zone, Chennai, this campus will be the single largest of its kind in Asia, showcasing the technical and engineering capabilities of TCS. This facility, housing six software development blocks, will accommodate over 22,000 IT professionals in a built-up area of 5 million sq.ft. It will include recreational and fitness facilities as well as dedicated client engagement zones. Siruseri is a green building project which extensively employs a rain water harvesting facility and a treatment plant for recycling water with zero discharge.

About Greycaps

The TCS IT Wiz quiz book is researched by team Greycaps.

Greycaps India Private Limited is the largest on stage quizzing and knowledge services company with prominent presence across India, the Middle East, Singapore, United Kingdom, Sri Lanka and USA. Greycaps is known for creating knowledge solutions for corporate houses such as Tata Sons, Infosys, Aditya Birla Group, ITC, Economic Times, to name a few. From creating quiz based alternative tools for educational institutions to powerful and engaging awareness enhancement programs, Greycaps has always been in the forefront of innovation. Greycaps is headed by noted quizmaster Giri Pickbrain Balasubramaniam.

Greycaps are also known for creating the popular Global Awareness Program, also known as GAP, in schools across India. This is a unique GK program built into the school timetable.

Greycaps has been associated with Tata Consultancy Services since 1999 when the IT Quiz was launched.

All rights are reserved by Tata Consultancy Services. No part of this publication may be produced or transmitted, in any form or by any means, without prior permission. The book has NO commercial sale value and is being distributed free to the participants of IT quiz shows organised by Tata Consultancy Services.
Quizzing helps us build many of the skills required to succeed in today’s global environment. It helps us work seamlessly as a team, have an agile mind, a thirst for knowledge and persevere till the buzzer sounds - these are the attributes needed to do well in one’s professional life.
