About Greycaps

Greycaps is one of the largest quizzing and knowledge services companies known for their creations ranging from publications, school and college quizzes, to portals. The TCS IT Wiz book is researched by team Greycaps.

Greycaps features comprehensive quiz based sections for knowledge enhancement catering to the youth. The objective of team Greycaps is to create fun learning platforms and to help continuous learning on a real time basis in a rapidly changing world. The larger objective is to have meaningful engagement for school children across the world.

Greycaps is also known for creating the popular Global Awareness Program (GAP), a unique GK program and Keystones, a values education program for the school space.

Greycaps has been associated with Tata Consultancy Services since the launch of IT Wiz in 1999.

All rights are reserved by Tata Consultancy Services. No part of this publication may be produced or transmitted, in any form or by any means, without prior permission.

This book has NO commercial sale value and is being distributed free to the participants of IT quiz organised by Tata Consultancy Services.
I am very happy that the TCS IT Wiz has become an annual calendar event in India, which all of us look forward to. The Quiz has evolved with digital technology and the young participants have adapted to it seamlessly. TCS is proud of investing in such youth engagement platform.

Technology is fast transforming the world. To cope with this change and address the complex problems, constant learning is the key.

N. Chandrasekaran,
CEO & MD, Tata Consultancy Services
